## Chamber Chatter

By IRENE GROVE

Bad news is never very pleasant to face . . . and the preliminary figures from the 1960 United States Census, showing our city, along with other cities in the northern part of the Bay Area had suffered a decrease in population, was hard to swallow for us all. Measures had to be taken to find as many as possible of the almost 3,000 people shown as lost on our city's census figures. Our city's Mayor Kathe Zahn and city officials went immediately into action.

Your Chamber of Commerce was glad to take a small part in this appeal for locating any persons not already counted in the regular census. We want to express our sincere appreciation to all those who cooperated in making this possible. A vote of thanks to Jack Labadie and the East Bay Chevrolet Co. for the use of an automobile; to Stan Saniuk of Stan's Radio and TV, for the sound equipment; Jan Prins for the signs; Albany 5-10-15c Store for the balloon decorations; and most of all a very special thank you to Bennie Hernandez, the genial owner of Casa Del Rancho, for his inspired operation and use of the car and sound equipment telling the people of Albany the story, and appealing for their help. A vote of appreciation to the ministers of Albany churches for their cooperation on the announcement of the situation to their Sunday congregations. It is this kind of civic leadership and cooperation that makes Albany the fine place to live and work.

This week's Chamber of Commerce officer that we would like you to know is the newly elected treasurer, Ken Fory. Ken is well known to everyone in our city for the most efficient job that he is doing as Superintendent of the Albany Unified School District for the past three years. Ken's professional status is shown in that he is the representative from Contra Costa and Alameda counties on the California Superintendents Curriculum Committee.

Ken fits well in our classification of "busy" civic leadership. In addition to having been a most active member of the Board of Directors of your Chamber of Commerce, he is also a member of Rotary, newly elected Secretary for the coming year, and a member of the American Legion.

The Fory family consists of his charming wife, Lorraine; son Mark at home; a married daughter Lois, in San Diego, and a son who is farming in Colusa.

## Annual Duluth Day Picnic On June 5

The ninth annual Duluth Day Picnic will be held Sunday, June 5 at the Sacramento East Portal Park, located off Folsom Blvd., (U.S. 50) and J Streets, and between 51st Street and Rodeo Way in Sacramento. Same place as last year.

## Parents Invited To Field Service Exchange Meet

"How are candidates chosen for the American Field Service exchange program?" "Who is eligible and how do they apply?" "What is the cost of the program?" "If students attend school abroad, how does it affect their high school graduation here?" In order to give Albany High 10th graders, their parents and other interested persons an opportunity to get the answers to these and many other such questions, the Albany AFS Chapter will hold an orientation meeting in the high school cafeteria, 603 Key Route Boulevard, at 7:30 p.m., Thursday, May 26, according to Mrs. Leslie L. Bennett, Chapter president.

On hand to give the benefit of their recent experiences will be Albany High's two "returnees", Renee DeYoe, AFS Summer Program student, who went to Germany in 1959; and Ronnie Kleinhammer, AFS School Program student, just returned from Belgium. In addition, local Chapter members and Albany school officials will also be present to answer questions and give pertinent information.

"It is necessary for families of interested 10th grade students to get this type of information now," Mrs. Bennett points out, "since the first eligibility requirement is that students be juniors. Present 10th graders will be eligible in September when they enter the junior class, if they meet the other requirements, and families need to plan ahead. Our teenagers have this wonderful opportunity to live abroad as members of foreign families for either the three months Summer Program or the six to nine months School Program, but they have many questions, and this meeting has been carefully planned to answer them."

The public is cordially invited to attend.

## Campfire Girls Plant Garden at Albany Baptist

Girls of Watasi Campfire of Marin School donated and planted a little "golden garden" Tuesday, May 24, in the Pomona Avenue planting boxes of Albany First Baptist Church, 1319 Solano Avenue.

Besides honoring Campfire's Golden Centennial, and fulfilling a Woodgatherers requirement for the girls, the garden of giant and miniature marigolds serves as an expression of thanks from the Watasis, for having been allowed to use the spacious classrooms of the church as a meeting place during the past year.

The group's plans for the near future include an overnight at Tilden Park, and a family swim-picnic at Richmond Rod and Gun Club.

Mrs. Ralph Peterson is the group's guardian. Members, all sixth graders at Marin School, are: Donna Dick, Dona Durham, Sandra Hewitt, Vicki Hughes, Janis Lasagna, Valerie Peterson, Margaret Royer, Nancy Sebring, Diana Walke and Barbara Watt.

## Giants Still Lead In Little League Play -- 4 Straight

With completion of the second week of play, the Giants are still on top of the heap in the Albany Little League.

The Giants ran their string to four straight with a tingling win over the Braves, 5 to 4, on Saturday, May 24. On the same day the Pirates and Cards slugged it out with the Pirates, led by Gordon Pitters' four hits, winning 14 to 13 in seven innings.

On May 17 the Dodgers downed the Pirates 8 to 1, as once again the Dodger pitching of Craig Nelson and Bob Sheldon teamed up to throttle the Pirates.

May 19, Tim Patton was the Braves' hero as he pitched and batted his team to a 5 to 1 win over the Cards.

In the American League Division the Tigers defeated the White Sox 1 to 0; the Red Sox beat the Orioles, 9 to 8, and the Yankees won over the Athletics 12 to 1. The Tigers and Red Sox lead the American Leagues with identical 2-0 records. These two teams meet Wednesday, May 25 with the first crucial contest of the season.

## PG&E Asks Gas Rate Increase

The higher cost of natural gas piped from Texas and New Mexico, plus the higher costs of materials, wages, taxes, California gas and borrowed money, will require increased rates to customers of Pacific Gas and Electric Company, PG&E reported to the California Public Utilities Commission in an application filed today.

On the average, the proposed increase would add about 3½ cents a day or \$1.65 a month to the bills of 1,575,000 residential gas users in northern and central California.

PG&E pointed out that it and other utility customers of El Paso Natural Gas Company, together with the California Public Utilities Commission itself, are fighting vigorously the new wholesale price increase filed by El Paso with the Federal Power Commission on February 23.

However, PG&E said, it could not absorb its share of the El Paso increase without jeopardizing its ability to give adequate service to its customers.

Vice President and General Manager S. L. Sibley said that PG&E's proposed new rates will enable the company to 1) offset the higher costs of gas purchased by the company, 2) meet the other higher costs of doing business, and 3) attract at favorable terms the capital necessary to build facilities for the growing needs of PG&E customers.

Sibley said PG&E presented detailed data in its application on recent and expected future increases in taxes and wage rates.

"PG&E has held down many of its costs by streamlining work methods and using more mechanized equipment," Sibley said.

"Our work force of 18,000 is only slightly larger now than it was ten years ago in spite of rapid population growth in northern and central California. However, wage rates per employee in the utility industry are rising steadily and the total cost of wages is up sharply."

## ALBANY CLEAN-UP WEEK SET JUNE 10-20

The Albany City Council on Monday night set the dates for Albany "Clean-up Week" as June 10-20.

This had been set over several times because of the increasing costs involved, and an estimate from City Engineer John Wright that the anticipated expense to the city this year, if carried out along the same lines as in the past, would be between five and six hundred dollars above that of last year.

After considerable discussion and on advice of the city engineer, the plan approved calls for conveyance by the individual citizen of the accumulated debris he wishes to dispose of to the former Albany Dump site, where it will be picked up by city trucks and taken to the Berkeley dump for disposal at no cost to the citizens.

Where this would prove a hardship on the Albany citizen because of lack of facilities for conveyance to the dump, or inability to hire a truck for the purpose, the Albany Chamber of Commerce is arranging with various civic organizations to provide this service at no expense to the citizen.

Citizens are warned however not to leave boxes of debris at the curb expecting it to be picked up by city trucks as in past years as this will not be done. Further information will be available as the plans are finally completed.

Mayor Zahn made a report on the result of the efforts made to bring up Albany's census count above the early figures reported but she stated the best the city could hope for was an increase of approximately 75 uncounted individuals. Some 30 of these came from the "Village" where Manager Darling had a thorough check made. The remainder came from those who contacted the Fire Department and the City Hall.

Mrs. Zahn expressed her appreciation of the way in which citizens and organizations wholeheartedly turned to in helping make the re-check.

The Mayor particularly mentioned the help given by Superintendent of Schools Kenneth M. Fory in distributing blanks to all the children to take home to their parents, and the Chamber of Commerce for arranging for a truck carrying signs with details about the need for the re-check, which was driven up and down the streets with a loud speaker providing information of where to go to be registered.

Appointments to the Library Board were announced as follows: Mrs. Dora Volheim, 1238 Portland Avenue, by Councilman Carlevaro, and Mrs. Dora (Continued on Page 3)

Second Polio Shot To Be Given June 2 At Berkeley School

The public is reminded to return for the second in the series of polio shots, June 2, 5 to 9 p.m., at Berkeley's Washington School cafeteria. Those who began the series at the April 28 clinic must return for the second shot. The third and fourth booster shots will also be available. Doctors from Herrick Memorial Hospital, nurses from the Red Cross and the Alameda Nurses' Association, Red Cross Nurses' Aides, and Northbrae Junior Woman's Club members donate their time to provide the public with low cost inoculation.

The clinics originated in 1959 when the National Foundation asked Berkeley's Northbrae Junior Woman's Club to provide this community service. Dr. Alvin Leonard, Berkeley Public Health Director, endorsed the project and even gave the injections at the clinics during peak attendance hours. The Berkeley Public School Department donates the cafeteria room.

There is a charge of \$1.00 to cover the cost of the vaccine. All other costs are borne by the Northbrae Junior Woman's Club. The slight profit was donated last year to Berkeley's free clinic. This year the sum will be given to the National Foundation.

Care Services Seek Foster Home For Two Girls

Children's Foster Care Services, which is a dual service agency with a program for foster home care and residential treatment for children, is looking for foster homes in the East Bay Area for two difficult but pretty, intelligent and healthy Jewish girls, 11 and 12 years old.

Although these children differ markedly in their behavior, for one is shy and quiet and the other very tempestuous, they each have great trouble in making friends and in cooperating with adults.

In each instance the child has improved while living in a residential treatment institution and now needs to be part of a family where she will have parents who can be both loving and firm and withstand manipulation.

Disturbing home conditions necessitate placement while both the girls and their parents work upon their problems. It is preferable that both youngsters be the only or the youngest child in her foster family.

Both are imaginative girls who enjoy making things, and the younger one shows exceptional artistic ability. The older girl is an active Girl Scout. For the children a foster home means the opportunity for a happier life now and in the future; for foster parents it would mean a challenging but rewarding experience. For more information phone or write Miss Violet Fein-auger or Mrs. Sophia deVries at Children's Foster Care Services, 4368 Lincoln Avenue, Oakland, AN 1-9962.

## Senior Citizen Activities, 850 Masonic

A large group of Senior Citi-  
zens of Albany left the Center at  
850 Masonic Avenue at 9:20 a.m.  
on Tuesday, May 10, for a sight-  
seeing trip to Menlo Park. While  
there, they were taken on a tour  
of the home of Sunset Magazine  
and the lovely gardens which  
surround the place. They then  
proceeded to Flood Park where  
they ate their lunch before going  
on to the famed Little House  
which is the meeting place for  
the Senior Citizens of Menlo  
Park. They were taken on a tour  
of the house by some of the Sen-  
iors. This is indeed a beautiful  
place, sponsored by the Peninsula  
Volunteers. The volunteers  
are now in the process of trying  
to raise money to erect living  
quarters which may be used by  
elderly people. This is certainly  
a place to which Menlo Park can  
point with pride as evidence of  
the interest which the city takes  
in their elderly citizens.

The Seniors also visited Allied  
Arts which is another very in-  
teresting place and the only re-  
gret was that they did not have

EBMUD's new aqueduct from  
Pardee Dam to the East Bay  
will be the longest water pipe-  
line (88 miles) of its size (87-  
inch diameter) in the United  
States.

more time to browse around the  
shops.

The only thing to mar the  
pleasure of this trip was an ac-  
cidental fall suffered by Virginia  
Gil which caused an injury to  
her leg. She was forced to return  
home after being treated at the  
clinic at Menlo Park.

The bus returned the tired but  
happy group a 4:30 and some of  
the more hardy of the group de-  
cided to stay and play cards for  
awhile and make coffee and have  
Smorgasbord from left over  
lunches.

LONG WEEKENDS  
☆ ☆  
Have you noticed how many 3 day holidays we have had this year? This probably can be explained by an astrologer, but one thing no astrologer can explain is why so many people go away on these holidays without placing their valuables in a safe deposit box. In case it's ignorance, our duty (and pleasure) is to tell you how reasonable the cost of this service is. The small size (ample to begin with) costs 1½ cents per day or \$4.40 for a whole year. It could cost many times this sum just to replace one valuable paper. So don't delay! Act before it's too late!

IT'S THE TOASTED FLAKED COCONUT that gives this simple pear salad its angelic quality, but it's the family's praise that will put the cook on Cloud Eight for her ingenuity. Fresh juicy pears are the foods of the gods, with the Comice variety best for salads. As a substitute for mayonnaise, "frost" each pear with whipped cream cheese or peanut butter and flaked coconut, and there you have it: Pears Angelique!

### PEAR AND COCONUT SALAD

3 large fresh pears, peeled, 2 teaspoons lemon juice cored, and halved  
3 tablespoons mayonnaise  
½ cup Angel Flake Coconut, toasted

Sprinkle pears with lemon juice. Spread ½ tablespoon mayonnaise on rounded side of each pear half. Sprinkle with toasted coconut. Serve on lettuce with additional mayonnaise, if desired. Makes 6 servings.
